Directory Data Opt-Out Form

Student directory data is your child's student information and must be made available to any outside parties upon their request, unless the parent or guardian indicates that they do not wish to have this information released. The opt-out does not prevent disclosures for which there is a separate legal basis for disclosure without consent (e.g. a health or safety emergency).

Release of Student Directory Data Information

Circle **YES / NO** for each of the categories below. If you circle **YES**, we will release your student's data. If you circle **NO**, we will not release your student's data. If you do not circle **YES / NO** or sign the form, we will not restrict any directory data.

Release for District Use	Release for Public Use	Release for Military Use	Release for Higher Ed Use
