School Store Getting Started for Parents

The School Store is a place in Campus Parent where you can make purchases. All purchases in the school store can be paid for in the same transaction as paying fees and adding lunch money for students.

How do I find the School Store?

The School Store is available in the outline on the left. The store has different areas for each school. You will only see the schools in which your student(s) are enrolled. At this time only High School, Middle School and Holmen Public Preschool have school stores.
