MAY 2024 . VOLUME 18

MAY = END OF YEAR 🥲

The month of May is always the busiest month with so much going on in classrooms and in the school building.

This month we will focus on reader's theaters. The students look forward to reader's theaters every year. In reader's theaters, students learn to read with expression, have fluency and control their reading pace while having fun. Then they perform in front of their peers. What an awesome way to end the school year!

Love, Ms. Yang
